of the cents but loses on the dollars." **G. N. Thedford, Dresden: International Harvester, Memphis.**

## Church Of Christ Club Conducts Devotionals

The K Club, one of the important religious organizations on the campus of the University of Tennessee, Martin Branch, is sponsored by the Church of Christ in Martin. It is now in its second year.

The purpose of the organization, according to Mr. David Davidson, minister of the sponsoring church, is to bring devotional services to UTMB college students, to make Christians stronger and to encourage others to be Christians. The club expects to meet this year at least once a week on the campus to conduct devotional programs and to hold songfests, panel discussions on the problems of college students and special lecture programs to be directed by business and professional men.

The idea behind organizing the K Club, Mr. Davidson said, was to help bring Christian ideals to a state college campus. The club had a vigorous program its first year and will expand its activities in 1957-58, Mr. Davidson said.

Two UTMB faculty advisers, members of the Church of Christ of Martin, Professors H. C. Allison and Joe Guest, assisted with the campus program last year.

## Alumni News

RENA JANE GROOMS of Union City will wed KENNETH RAY MILLS of Memphis early this fall. Miss Grooms attended UTMB from 1951-53 and received a B.S. degree in nursing from U-T School of Nursing, Memphis.

At UTMB she was a member of Delta Phi Delta, the Baptist Student Union, and the Student Christian Association.

JANICE DARNELL of Dresden has been named as new Home Agent of Decatur County. She has already begun her duties at Decaturville.

Miss Darnell attended UTMB from 1953-57 and received her B.S. degree in June.

CHARLES H. ELLIS, Jr., of Martin married Miss JO ANN ROSS of Eldorado, Illinois, May 27. Mr. Ellis attended UTMB for two years and then transferred to Murray State College. He taught at Equality High School the past year and is now attending six months training in the Chemical Corps at Fort McClellan, Ala.

Mr. J. R. SWAIN of the English Department is doing graduate work at Baylor University in Waco, Texas, this summer.

J. W. GOSSETT recently received his Ph.D. degree from Texas A. and M., where he studied animal nutrition and physiology. Dr. Gossett has accepted a position on the staff of the Department of Animal Husbandry at Virginia Polytechnic Institute, in Blacksburg, Virginia.

He will teach courses in endocrinology and physiology and will also do research in these two fields.

JANICE GRUBB of Dresden was married June 22 to ROBERT DALE LOWE of Dresden. Mrs. Lowe attended UTMB and is at present secretary of the Agricultural Extension Service for Weakley County.

MISS HELEN LAMB of Martin and PAUL JACKSON, formerly of Paris, were married June 16 at the First Methodist Church in Martin.

Both Mr. and Mrs. Jackson attended UTMB from 1952 to 1954 before transferring to U-T Knoxville.

CHARLES PITTS of Martin is serving with the Army at Ft. Richardson, Alaska. He is a sergeant with Co. H of the 23rd Infantry. He expects to be back in the States by September 1.

Miss MARTHA ANNE MEEK of Martin and ROBERT K. RONEY of Union City were married June 14 at the First Methodist Church, Martin. Both attended UTMB before transferring to Knoxville.

They are making their home in Union City, where Mr. Roney is serving as Youth Director of the First Methodist Church.

Miss EMILY WELCH of Martin became the bride of ROBERT L. RICHARDSON of Memphis Saturday, June 29. The marriage ceremony was held at the First Methodist Church of Martin. Following the ceremony, the bride's parents entertained with a reception in the church parlor.

The couple are making their home at 2294 Springwood Cove, Memphis, where Mr. Richardson is attending the School of Medicine at the University.

HAL BISHOP received a superior rating at the national piano auditions held early in July at Memphis. Bishop received a grade of 97 1/2 and was awarded a Collegiate Sophomore Diploma by the National Guild of Piano Teachers. Bishop has performed at numerous musical and social events during his two years at UTMB.

ARTHUR FUQUA of Martin, a freshman ag. student, will be married August 24 to AMELIA ANN FRIEDLS, also of Martin. The couple will live in Martin while he continues his studies at UTMB.

Miss ANN LEE of Martin was appointed assistant 4-H Club specialist for the UT Extension Service. Her appointment became effective July 1. She had been serving as U-T assistant Extension methods specialist.

Miss Lee attended UTMB for two years before transferring to Knoxville. She became assistant home agent in Williamson County in 1953. In 1955, she started work on her Master's degree in home economics at U-T and in March of this year she was named assistant Extension methods specialist, and held this position until joining the 4-H department.

MRS. LOUISE OLIVER of the Home Economics Department has accepted a position in Groveland, Florida. This summer she is completing requirements for the M.S. degree at Peabody College at Nashville. She has been at UTMB the past five years.

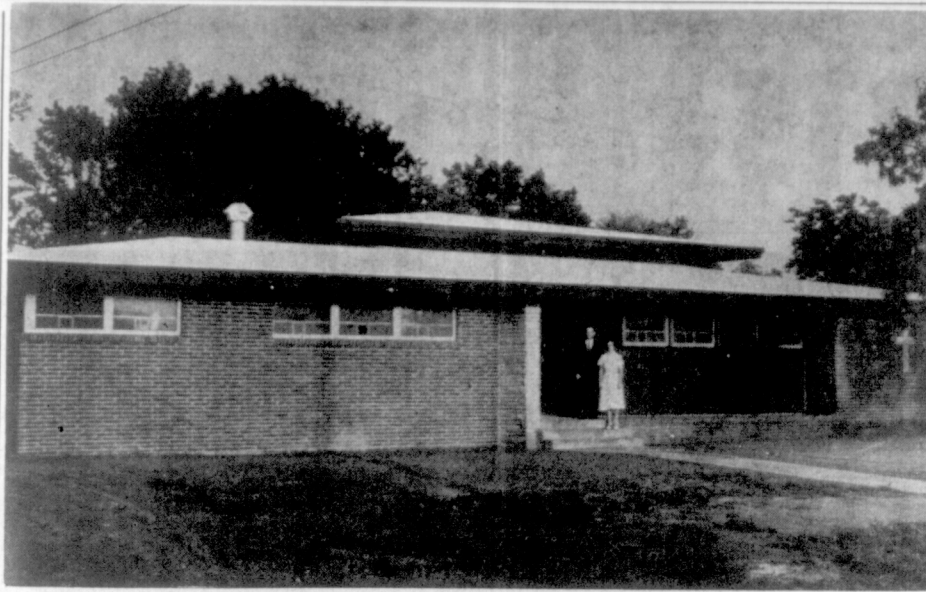

Miss MARTHA FISHER and BILLIE JOE HIGH, both of Martin, were married July 13 at Freeman's Chapel Methodist Church. Following the ceremony, a reception was held at the home of the bride's parents on Oxford Street.

Mr. and Mrs. High will live in Columbia, South Carolina, where the groom is in the Army stationed at Fort Jackson.

Mrs. High graduated from UTMB this spring. She was active in numerous clubs and organizations and served for two years as editor of the VOLETTE.

A number of present and past students made the two-weeks trip to Fort Stewart, Georgia, the last half of July with the Martin unit of the Tennessee National Guard. Included in the group were: CHARLES ALLEN, JACKIE MITCHELL, Capt. WILLIAM L. PRITCHETT, 1st Lt. HAROLD BRUNDIGE, Major GEORGE C. THOMAS, Jr., THOMAS VOWELL, ED BRASHEAR, PAUL KELLEY, JERE FREEMAN, DAVID MYRICK, NORMAN SPENCER, BEN CRITTENDON, GERALD WARREN, MARVIN CHILDRESS, ED WHEATLEY, RICHARD WHEATLEY, LAWRENCE FOWLER, ARTHUR FUQUA, JACK SHANNON, and HAROLD VOWELL.

Captain J. ODELL JONES, Head of the Engineering Department, attended the two-week camp, and Bursar GENE STANFORD visited the camp for three days as a civilian guest of the Guard.

This attractive and functional building will house the activities of the Wesley Foundation of the Methodist Church. It is conveniently located just east of the college campus.

THE REV. AND MRS. WHITEHEAD

## Wesley Foundation Has New Director And New Building

The Wesley Foundation, Methodist student organization on the campus of the University of Tennessee, Martin Branch, will begin its program of activities this fall in its new building on Lovelace Street. The program will also be under the direction of a new, full-time director, the Rev. Brady Whitehead of Griffin, Georgia.

The purpose of the Wesley Foundation, the Rev. Mr. Whitehead stated, is to enrich the spiritual life of the students through worship and study. The focus of interest of students who participate in the Wesley Foundation program will be the First Methodist Church of Martin, and the program will be directed toward that end. One of the principal aims of the program, the Rev. Mr. Whitehead said, is to help the student to become a well-rounded person, spiritually and socially. Methodist and Methodist-preference students will be invited to attend the morning and evening services of the local church each Sunday.

The Rev. Mr. Whitehead did his undergraduate work at Southwest in Memphis where he received the bachelor of science degree. He did his graduate work at Emory University where he received the B.D. and M.A. degrees. While he was pursuing his graduate studies,

## Joint Committee Being Set Up With Knoxville

A joint committee to coordinate certain problems concerning UT at Knoxville and UTMB is in process of formation, Dean Paul Meek informed the VOLETTE this week. Dean Meek stated that the committee will be made up of one member from each of the five colleges at Knoxville and two staff members from UTMB. The latter two will be appointed by Dean Meek.

Mr. Meek stated that the committee will work to straighten out various procedural matters between UT at Knoxville and UTMB. He mentioned that one such

## EPISCOPAL CHURCH TO FORM CAMPUS CANTERBURY CLUB

A Canterbury Club will be organized this fall on the campus of the University of Tennessee, Martin Branch, under the direction of the Rev. Mr. Sidney Sanders, rector of St. John's and St. James' Episcopal Churches of Martin and Union City respectively. UTMB faculty members and members of the Episcopal Church who will assist the Rev. Mr. Sanders are Dr. James R. Wilson, Mr. Robert Swain, Miss Aaltje Van Denburg, Mrs. Marguerite Walker and Mr. Curtis Whittington.

The new organization will take its place along with the other religious groups on the campus, including the Wesley Foundation, the Baptist Student Union and the Church of Christ K Club.

he directed college-age youth at St. Mark's Methodist Church, Atlanta, and served as assistant pastor and director of music at the First Methodist Church of Griffin, Georgia. The Rev. Mr. and Mrs. Whitehead will make their home in the Wesley Foundation's residence next door to the Foundation building.

Mrs. Whitehead is also a graduate of Emory University and did youth work in Methodist churches in Atlanta. For the past two years she has been director of Christian education at the First Methodist Church, Griffin, Georgia.

problem concerns students who might do a quarter's work their senior year at Knoxville (practice teaching for example) and yet be unable to obtain their degree at UTMB until that same course would be offered a year later. He said in such a case the committee would try to make it possible for the student either to obtain his UTMB degree with the graduating class at Knoxville or, even better, be able to transfer the credit to Martin in time to graduate at once, rather than facing a delay of a year.

Such problems and others constantly arise of a procedural nature, Mr. Meek stated, and the new committee will try to expedite them to the satisfaction of both Knoxville and Martin, and especially to the satisfaction of the student concerned.

## Baptist Student Union Adds To Campus Life

Baptist young people who leave their homes and the influence of their home churches to attend the University of Tennessee, Martin Branch, this fall will find a continuing church influence on the campus in the Baptist Student Union.

For the past several years BSU has attracted more than 300 students each fall quarter. Miss Clarice Thomason of the First Baptist Church of Martin is full-time director of the Baptist campus organization.

The purpose of the Baptist Student Union, Miss Thomason states, is to enlist Baptist and Baptist-preference students in a program of religious activities centering

principally in the local Baptist churches. BSU campus activities include noon-day devotions, bi-weekly discussion groups, weekly BSU meetings, YWA meetings, social activities and personal counseling.

At the beginning of each school year local Baptist Churches give a progressive welcoming party for incoming students. All churches are visited during the evening. The party this year is scheduled for Thursday evening, September 19.

The Baptist Student Union, with full-time campus director and headquarters on the UTMB campus, is supported by local Baptist churches, the Beulah and Weakley Baptist Associations and the Tennessee Baptist Convention.

## FORMER STUDENTS TO RECEIVE DEGREES AT KNOXVILLE AUG. 17

Five former UTMB students will receive degrees at UT-Knoxville August 17. The degrees will be awarded by UT President C. E. Brehm who will also make the commencement address. The exercises will be held in Alumni Memorial Auditorium.

Carol Pentecost of Palmersville will receive the B.S. degree in Home Economics; Joyce Anne Lee and Mary Alice Ramer of Martin and Mignon Smith Wilson of Dresden will receive the Master of Science degree. Bobby H. Pentecost of Palmersville will receive the B.S. degree in Agriculture.

## Street Markers Here Advertise College

New UTMB markers have been erected in Martin by two civic groups. The markers publicize the fact that Martin is the home of UTMB. They were erected by the Junior Chamber of Commerce and the Lions Club.

The Junior Chamber of Commerce erected four UTMB signs. They are placed on the highways at the entrance to the city. The large signs are in orange and white and state that Martin is the home of the University of Tennessee Martin Branch.

A new sign is in the process of construction under the sponsorship of the Lions Club. This sign is just south of the intersection of Lindell and University. It has as its base Tennessee crab orchard stone. Above the base will be a large wrought iron sign. The sign will give the name of the college and an arrow will show the direction to take. Below this part of the sign will be the names of the major departments of instruction at UTMB.

The two projects are another indication of the position that UTMB holds in the eyes of the civic organizations of Martin.

## Knepp To Attend Canada Meeting

Professor Earl Knepp of the Agricultural Department will attend the International meeting of Artificial Breeders' Association at Toronto, Canada, in August. Mr. Knepp is being sent as a delegate from the West Tennessee Artificial Breeders' Association and will represent the Tennessee Association in Canada.

## Swine Judging Team Places 5th In U. S.

The UTMB swine judging team placed fifth in the National Duroc Picture Judging Contest. This is the third year out of four that they have placed in the upper ten. The contest is open to all universities and colleges in the United States. There were 1,262 college team entries this year.

# ANNOUNCEMENT

We are happy to announce that a new snack bar is being installed in the student lounge and will be ready for the opening of the fall quarter. Offered will be

★ Sandwiches

★ Short Orders

★ Ice Creams

★ Milk Shakes

Additional space is being made available by using space formerly occupied by the crafts lab. This is being equipped with new tables and chairs and will furnish an inviting place for men and women students to relax.

**RUSSELL DUNCAN, Student Welfare Secretary**

# UTMB SPORTS

Boost the Vols

## Year Around Program Offered In Varsity Sports

To a great degree, a college is known by its program of varsity athletics. At UTMB, a year-around program is offered with inter-collegiate competition being maintained in four different sports.

Football is naturally the athletic highlight during the fall quarter. The schedule calls for from eight to ten games, with at least half of them home games. Freshmen students especially get a thrill from seeing their first "college" game and becoming a part of what is now known as the "Tennessee Spirit." Highlight of the football season is the annual Homecoming game late in October. One outstanding event of this day is the end of Freshman Initiation Week and the acceptance by the rest of the student body (especially the sophomores) of the freshmen as full-fledged students. Other events of the day include a large parade and the crowning of the football queen and her court.

Sports king of the winter quarter is basketball. UTMB has had outstanding teams each of the past six years. During these years the college has received more and more recognition as a power in small-college basketball. Teams from Kentucky, Indiana, and Alabama are played. In addition there are games with such traditional rivals as Lambuth and Union. Sold-out gyms have been the rule rather than the exception when the Vols play at home.

Two varsity sports are carried on during the spring quarter. Tennis has been played on this level for several years and last year a varsity baseball team was part of the sports scene, the first in UTMB history. Tennis gives both men and women a chance to participate in inter-collegiate athletics, and both groups have had top records in recent years. The adoption of baseball was received enthusiastically by both the athletes and the student body.

A great boost to the athletic program at UTMB came about last year when the school was accepted for membership in the Volunteer State Athletic Conference. This conference includes most of the top small colleges of the state, among them Austin Peay, Lincoln Memorial, and David Lipscomb. As a member, the Vols teams will have an opportunity to compete in all major sports with these teams and the other members of the conference. Spirited competition and added prestige for the college will be the result.

So, whether a student's interest is football, basketball, tennis, or baseball, he can find a chance to participate against top opposition at UTMB. And those who like sports, but prefer to watch rather than compete, also have their fill. Yes, athletics is a vital part of the well-balanced school program at UTMB.

## UTMB's Grid Squad To Begin Reporting On September 5

Several Newcomers On 9-Game Schedule To Test Vol's Strength

Coach Robert Carroll has announced that all backs, ends, and centers are scheduled to report for practice September 5. Tackles and guards will start practice September 9. Any interested candidates may report for practice at this time, Coach Carroll stated.

Returning squad members are: Tommy Richardson, Waverly; Joe Lane, Springfield; Buddy McMackins, Bruceton; Glenn Dyer, Petersburg; Louis Burgess, Louisville; Monte Bayless, Bruceton; Fred Clark, Louisville, Ky.; Billy Smith, Bolivar; James Graves, Trenton; Bruce Vestal, Jackson; Jimmy Hicks, Waverly; Lige Turman, Savannah; John White, Martin; Charles Youngerman, Lexington; Ray Pollard, Whitehaven; Hugh Lashlee, Camden; Larry McLaughlin, Munford; Bobby Lee Kendrick, Brownsville; Bobby Fowler, Ridgeley; Charles Davis, Frayser; and Roy Orr, Camden.

New prospects include: Keith Parker, Milan; Paul Aaron, Decaturville; Benny Green, Paducah, Ky.; Jimmy Whitehead, Waynesboro; William Bryan, Covington; Harold Carver, Bruceton; Sterling Ruffin, Covington; David Hamlett, Pulaski; Bobby Lowe, Bruceton; James Spikes, Dresden; Gene Hipp, Paducah, Ky.; Stanley Patterson, McKenzie; Foster Norwood, Pulaski; Ray Lynch, Hohenwald; Paul McClellan, Nashville; Bob Shaw, Metropolis, Ill.; Ray Childress, Jackson; Dallan Morrison, Springfield; Leonard Riggs, Springfield; Norman Faulk, Covington; Ralph Lowe, Bruceton; Marco Monacchio, New Matamoros, Ohio; Joe Anderton, Nashville; Frank Jones, Ripley; Stan Hawk-

## Ex-UTMB, Wyoming Star Is Named As Head Coach Here

Guy D. Penny Selected As Assistant To Milan's Robert L. Carroll

Head Coach for this year's football team will be Robert L. Carroll. He will have as his assistant Guy D. Penny. Coach Carroll was appointed several weeks ago, while Coach Penny was named just recently.

UTMB's new head coach played high school football at Milan under Bob Hicks, now acting head coach at the University of Indiana. He was co-captain his senior year.

Carroll played football at UTMB for two years, and is known as one of the shiftest runners in Vol history. He was a dynamic player who served as a great team leader for the Vol squads those two years. He captained the squad his second year and was selected by his teammates as most valuable player both years.

Carroll transferred to the University of Wyoming following his sophomore year. He played at Wyoming his junior and senior years under Phil Dickens. Carroll was a member of the Wyoming squad that defeated Texas Tech 21-14 in the 1956 Sun Bowl game. He was named to the Academic All-America squad in 1954.

Carroll graduated from Wyoming in 1956 with honors. He is a member of Psi Chi, national honorary fraternity in psychology. Last year he served as end coach at UTMB. He served in the Marine Corps in 1951-52. He is single.

Guy D. Penny graduated from Piedmont High School, Piedmont, Alabama. He was named to the all-state high school team in 1947. He attended the University of Mississippi, where he was a member of the varsity teams for three years. He played with Ole Miss when the school won the SEC championship in 1947 and played in the Delta Bowl game in 1948.

Penny began his coaching career at Collinsville, Alabama, in 1950. He moved to Geneva High School in 1952, and remained there until accepting his present position at UTMB. He served as Waterfront Director at Wautoma, Wisconsin, in 1950. He will receive his M.A. degree at Ole Miss in July, 1958. He is a member of Phi Delta Kappa. He is married and has two children.

## POULTRY UNITS HERE ARE BEING EXPANDED

A pole type laying house is being constructed with a capacity for some 1500 layers. Poultry is a major enterprise on UTMB farm.

The trend today in poultry production is toward larger flocks, larger houses, and labor saving devices. The poultry enterprise at UTMB can be credited with a big contribution to the education of many former students. It has served as a laboratory for classes in Poultry Husbandry and as a source of employment to many Ag. students in the past and at present.

ins, Nashville; Jim White, Martin; and Dewey McCrory, McEwen.

A 9-game schedule has been arranged this season, Coach Carroll said. The schedule will feature several newcomers, including the opener with Marion (Ala.) Institute and the homecoming game with West Georgia. The season will open at home September 27 and will end November 16 away. The schedule is as follows:

Marion (Ala.) Institute, here, Sept. 27  
Arkansas State "B", here, Oct. 4  
Hendrix College (Ark.), there, Oct. 11  
Northwest Miss., here, Oct. 19  
West Georgia (Homecoming), here, Oct. 26  
Memphis State "B", here, Oct. 31  
Baylor School, there, Nov. 10  
Memphis Navy, there, Nov. 16

This spacious lounge will be the gathering place for women residents of the new dormitory and their dates between classes and in the evenings.

## Five Eating Places On Or Near Campus To Serve Students

There will be five eating places on or near the campus to serve the students of the University of Tennessee, Martin Branch, this fall. On the campus in addition to the college cafeteria will be the new snack bar located in the old student lounge room next to the book store. The snack bar will serve sandwiches, pastries and fountain drinks. An ice cream machine will also be included in the equipment for the new bar. A room adjacent to the snack bar has been taken over for a lounge room for men and women students.

Mrs. S. W. Latta, dietitian at the college cafeteria, has announced a new policy for this fall. Students may buy meal tickets that will give them balanced meals at an average price of 44 to 46 cents, or they may elect not to buy a meal ticket and purchase items separately at a cost of from 60 to 90 cents per meal. This will give students greater freedom of choice in selecting their meals.

The cafeteria will change its time of serving breakfast to the hours of 7:15 to 7:45 instead of 7 to 7:30. This will allow students who do not have an 8 o'clock class to get breakfast at a later hour.

A new off-campus commercial building has been built on Hurt at the Lovelace Street intersection by Mr. Raymond Lamb of Martin which will house an eating facility along with a barber shop and a beauty shop. The T-Room and the Dinner Bell, off-campus establishments, will operate as usual to serve UTMB students.

## College Library Expands Facilities To Aid Students

Expanded facilities for student use will be available this fall at the college library. The additional space became available with the moving of the Regional Library.

The downstairs space will be used for the storing of pamphlets and unbound magazines, according to members of the library staff. These materials will be available throughout the day for student use, it was stated. Plans are to put in a number of chairs so that the needed material may be used on the spot. It is expected that until students become used to the room and its available materials, a member of the library staff or student clerical will be stationed in the new room to help students as required.

The space above the main library, at present not open to student use, will also be made available to general use, it was stated. The upstairs stacks will be used to store the bound periodicals and students will be permitted to go up to this room for their materials, if present plans materialize.

Members of the library staff feel that the expanded use of the library will be a great benefit to students. Also, by enabling students to get their own materials, there will be a lessening of the need for library personnel to devote so much time to mere fetching of materials.

## Part-time Jobs Here Help Many Students

A considerable number of UTMB students have part-time college jobs that help them defray a portion of their expenses while at school. Such jobs often mean the difference between attending and not attending college to those students concerned.

The University maintains an employment file in the office of the Student Welfare Secretary. This file lists the names of students seeking jobs and their preferences as to types of jobs desired. An effort is made to place the applicants in the type of work they can best fulfill. Employment on the campus includes work in the cafeteria, book store, offices, laboratories, shops, and on the farm. Students are also helped to secure jobs out in town.

During the past year, 125 to 140 students were employed on the campus. They worked on an average of some 8 to 10 hours per week. Students are advised not to work more than 3 hours per week if it is believed that the quality of their class work would suffer as a result. Some students, on the other hand, are able to work considerably more than 8 to 10 hours without any suffering of their academic work.

During the fall quarter last year 140 students worked. The number was divided evenly between men and women students. Largest employer was the cafeteria, followed by the farm and the book store. A number of students

worked at the "T" Room and the Dinner Bell, two popular eating establishments near the campus.

Most students desiring job help this year have already applied. However, other students interested in learning more fully of the availability of campus jobs may do so by contacting:

Mr. Russell Duncan  
UTMB Bookstore  
UT-Martin Branch  
Martin, Tennessee

## COACH HENSON - -

versity of Alabama and the Master's in Education from Mississippi State College.

Mr. Vincent Vaughn, for many years Assistant Football Coach, will devote full time to Physical Education and in assisting in the program of expansion in Health and Physical Education subjects. He will continue to assist Coach Floyd Burdette with the basketball squad.

## ADDITIONS MADE - -

(Continued from page 1)

and marching bands and of the college choir. He is a member of Pi Mu Sigma Fraternity and of the Music Educators National Conference.

Dean Meek stated that the college band will rehearse evenings from 5 to 6.

## Pre - Professional Training At UTMB Moving Forward

Thirty-three former UTMB pre-professional students enrolled for the first time in the University of Tennessee Medical Units during the period January 1, 1956, through July, 1957. These students, according to their specialties and time of enrollment, are as follows:

### Medicine

Donald Ray Dees (July, 1956); Day Lee Freeland (January, 1956); Charles Lester Frost (March, 1956); James Joseph Hamilton (September, 1956); Perry Jones Hockaday (March, 1956); Robert Taylor Peterson, Jr. (July, 1956); John Andrew Reaves, Jr. (March, 1956); Robert Eli Clendenin (January, 1957); Clarence M. Johnson (March, 1957); Jerry Kennedy (March, 1957); William C. Grant (March, 1957); Robert L. Richardson, Jr. (March, 1957); Jimmy Dewese Moore (March, 1957); Bobby Gene Thompson (July, 1957); Travis Leon Bolton (July, 1957); Jerry Franklin Watson (July, 1957).

### Medical Technology

Mary Groom Archer (January, 1956); Ella Faye Vaughn (January, 1956); Horace Ray Adams (January, 1957); Kay Kean McCrite (January, 1957); Fabio Marquez (July, 1957).

### Dentistry

Edward Cecil Sumrow (March, 1956); Donald Porch Austin (January, 1957); Hobart Beale (January, 1957); William H. Brooks, Jr. (January, 1957); George L. Culbreath (January, 1957); John Lewis Lloyd (January, 1957); Jere B. Lowe (January, 1957); Harold Crocker (March, 1957).

### Pharmacy

Marvin Beecher DeBerry (September, 1956); James Lent Hynds (September, 1956); Jerry Thomas Owens (September, 1956); John Mitchell Smith (September, 1956). In addition to the thirty-three first-time students mentioned above, the following were enrolled as Graduate Students:

Medicine (Orthopedic Surgery)  
Allen Sharp Edmonson (July, 1956).

Post-Graduates in Dentistry  
Robert Jeter Clement (March, 1956); Ammon Joe Fuson (January, 1956).

Post-Graduates in Nursing  
Rena Jane Grooms (September, 1956).

Post-Graduates in Hospital Pharmacy  
Taylor Lincoln Hopper.

In addition to the 33 students enrolled for the first time, and five graduate students mentioned above, there are about 30 other of our former pre-professional students enrolled in the Medical Units.

Last year, according to Mr. Horton, there were 99 pre-professional students enrolled on the University of Tennessee Martin Branch campus. It is expected that the pre-professional enrollment for the Fall of 1957 will be slightly over a hundred.

Pre-professional students, as well as students in various other curricula, will have for the first

time, a much wider choice of electives, since a great many new courses have been introduced in the Expansion Program. About ninety new courses are to be offered during the next two years. Included among them are the following:

### Biological Sciences

Biol. 101-102-103: Elements of Biological Sciences  
Bot. 113: Fundamentals of Botany

Bot. 301: The Plant Kingdom (1958-59)  
Bot. 303: Field Botany  
Bot. 313: Plant Pathology  
Bot. 421: Introduction Plant Physiology (1958-59)  
Bact. 242: Advanced Bacteriology

Bact. 321: Agricultural Bacteriology (1958-59)  
Zool. 311: General Entomology  
Zool. 313: General Entomology (1958-59)

Zool. 323: Ornithology (1958-59)  
Zool. 436: General Genetics

### English

Eng. 301-302-303: American Literature  
Eng. 345: The Writing of Fiction

Eng. 363: Early Eighteenth Century Prose (1958-59)  
Eng. 406: The American Novel (1958-59)

Eng. 411: Shakespeare: The Comedies (1958-59)  
Eng. 413: Shakespeare: The Tragedies (1958-59)

Eng. 442: The History of the English Language (1958-59)  
Eng. 485: The Poetry of John Milton (1958-59)

### Physical Sciences

Geog. 151: The Geographic Background of the World  
Geog. 393: Geography of Tennessee

Phys. Sci. 101-102-103: Elements of Physical Sciences

### Social Sciences

Soc. Sci. 201-202-203: Introduction to Social Sciences

Biological Science  
Physical Science  
Natural Science  
Mathematics and Physical Science

English  
Social Science

## Announcement

### NEW POLICY AT UTMB CAFETERIA

Students wishing to eat at the cafeteria will find all items individually priced and may select only those items they desire.

### PRICE LIST OF INDIVIDUAL FOODS

Meats	.20 to .35	Bread	.05
Vegetables	.10	Desserts	.05 to .15
Salads	.10	Beverages	.05 to .10

The cafeteria will continue to offer meal tickets for sale which will enable the student purchasing one to get his meal cheaper than the student who purchases his meal item by item. Purchasers of meal tickets get their meals for an average of 43 cents per meal, or \$110 for the fall quarter, \$100 each for winter and spring quarters. The cost per meal to a student not buying a meal ticket will depend on the number and prices of items selected. Meal tickets may be purchased by the quarter or the month. Students may sign for meal tickets at the cafeteria and may pay for them at registration. Arrangement may be made for monthly installments paid in advance for those who demonstrate the necessity for such a plan.

### SERVING HOURS

#### MONDAY - SATURDAY

Breakfast	7:15 - 7:45 (instead of 7:00 to 7:30)
Lunch	11:30 - 12:30
Dinner	5:30 - 6:30 (Saturday, 5:30 - 6:00)
